Street Lighting NY**

A photograph of three women walking on a city street at night. They are all smiling and laughing. The woman on the left is wearing a light green dress and a necklace. The woman in the middle is wearing glasses and a white cardigan. The woman on the right is wearing a patterned top. In the background, there are blurred city lights and a traffic light showing red.

**Girls night out  
now goes a bit later  
thanks to LEDs.**

A photograph of a street lamp at night. The lamp is a modern, curved design. The light is on, creating a bright starburst effect against the dark blue twilight sky. In the background, there are silhouettes of buildings and a church steeple.
