

ZAKUSKA

A Spirit for
Celebration

VODKA

40% Alc. by Vol. 750 ML

Zakuska Vodka was born from celebrations around my parents' dinner table. Stories and jokes, heartfelt toasts and songs, all accompanied by delicious food and punctuated by cold shots of vodka. Major holidays or just seeing old friends, there was always something to celebrate. This vodka wouldn't exist without my parents – that's why I put them on the label.

Zakuska is special, distilled from a mix of soft red winter wheat and corn. This **unfiltered vodka** retains heaps of flavor, including notes of vanilla, spices and honey. **Find a reason to celebrate!**
