It was a wonderful line up of so many great musicians and dancers. I also loved the beautiful images on the screen.

An incredible night at the 3rd Annual Music for the People event!
We had the honour of attending and volunteering at the annual concert event that brings together a vibrant mix of Indigenous and non-Indigenous performers, with proceeds going to the support the Indian Residential School Survivors Society.
Thank you to all the organizers and performers for what was truly a powerful and moving experience for all. ... See more

It was an honour to support the 3rd Annual Music for the People gathering on Sunday, Sept 8, at the Tk'emlups Powwow Arbor. We had a fantastic time connecting with attendees and enjoying the amazing performances.
