Work Differently

# Rebuild Life in a Custom-Built Space.

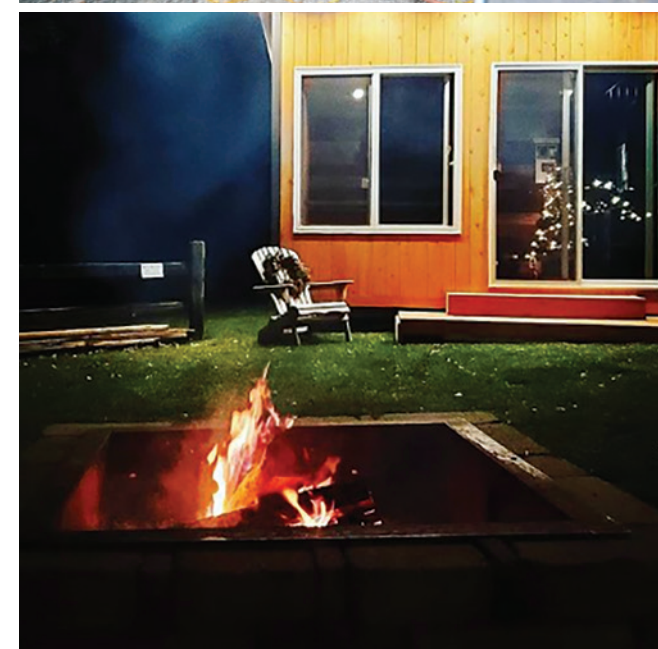

Whether you're a business professional, artist, hobbyist, or anywhere in between, INshed can help you build your perfect custom space. Our world-class design team creates custom sheds that help you master your craft and bring out your true identity. It's the ideal solution for those who want to add space to their current home without the hassle of permits or high remodeling budgets.

Custom built to order specifically for you.

100% completed and shipped directly to you.

Ready to be positioned anywhere with removable wheels.

Climate controlled for the hottest of summers and coldest of winters.

## Make It Your Own

Use the online custom 3D design center or schedule a free consultation with an INshed design representative.

## Easy Financing!

Take advantage of special financing. *Subject to credit approval. Minimum monthly payments required. We reserve the right to alter or discontinue these offers at any time.*

## Delivery

INsheds are built in 45 days. Shipping costs are calculated per mile. Delivery anywhere in the U.S. to your front door within days of completion.

## How it works

### Step 1 - Design Your Shed

Choose from one of our stock model sheds or create your own custom design using our online design software at [theinshed.com](http://theinshed.com)

### Step 2 - Build Your Design

After picking your custom shed, our design team will schedule an appointment to help you finalize it. We'll also make sure your custom-designed model is suitable for you.

### Step 3 - Receive Your Shed

We'll build your shed and ship it directly to your door while ensuring that you are 100% satisfied with your shed.

## Our Simple Process

### No Assembly Required

We deliver your shed totally built and customized, and ready for you to use.

### For All Seasons

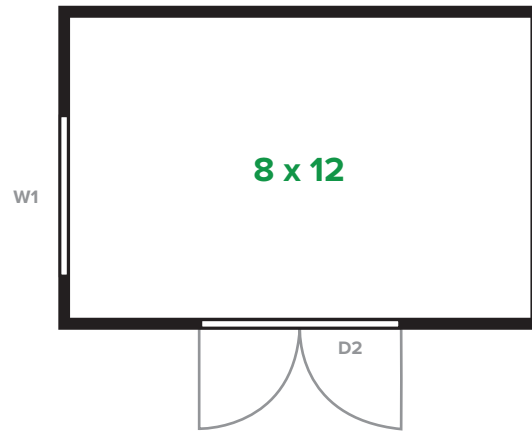

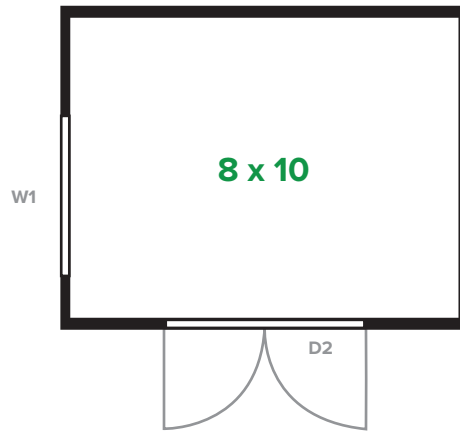

Your design options come installed with air conditioning, heat, electronics, windows, doors, skylight, and your choice of exterior colors.

### Easy to Transport

We build your shed on a trailer, and when complete, it's ready to roll into your space.
