– Pradeep Kumar Saraswathi

Patent for Innovation by Pradeep Kumar Saraswathi

TECHNOLOGY AGNOSTIC CANVAS TO GENERATE INTERFACES

The image shows a patent application publication page. At the top, there is a barcode and the text "US 20240256234A1". Below this, the title "(19) United States" is followed by "(12) Patent Application Publication" and "(10) Pub. No.: US 2024/0256234 A1". The inventor is listed as "(43) Pub. Date: Aug. 1, 2024". The title of the invention is "(54) TECHNOLOGY AGNOSTIC CANVAS TO GENERATE INTERFACES". The applicant is "(71) Applicant: Salesforce, Inc., San Francisco, CA (US)". The inventors are "(72) Inventors: Pradeep Kumar SARASWATHI, Hyderabad (IN); Andrew PETERSON, Burlington, MA (US); Sridhar SUBRAMANIAM, Buffalo Grove, IL (US); Shelby HUBBICK, Vancouver (CA); Dylan MERRICK, Vancouver (CA); Ronak SHAH, San Francisco, CA (US)". The assignee is "(73) Assignee: Salesforce, Inc., San Francisco, CA (US)". The application number is "(21) Appl. No.: 18/162,487" and it was filed on "(22) Filed: Jan. 31, 2023".

The "Publication Classification" section includes:

- (51) Int. Cl. G06F 8/38 (2006.01), G06F 8/35 (2006.01), G06F 8/41 (2006.01)
- (52) U.S. Cl. CPC G06F 8/38 (2013.01), G06F 8/35 (2013.01), G06F 8/41 (2013.01)

The "ABSTRACT" section (57) describes a method that receives a definition associating a compiler with a content type, defines blocks for the content type, receives an input to create the content type on a platform, selects a compiler from a plurality of compilers based on the definition, uses different technologies to generate content, and allows the plurality of compilers to be used. The method receives a model for creating content for the content type and processes the model using the compiler to create output for blocks in the model. The output for the blocks is rendered to display the content on a user interface.

Below the abstract is a flowchart (200) with three steps:

- 200: Development Method
- 202: Receive compilers that will be supported
- 204: Receive definition of content types for

GLOBEE® AWARDS

Global Recognition award:

[Pradeep Kumar Saraswathi](#), a user interface architect and thought leader in advanced digital platforms and artificial intelligence (AI) Integration, has won a [2024 Global Recognition Award™](#). This recognition is due to his extraordinary abilities and notable achievements in user interface engineering and digital experience platforms.

Pradeep Kumar Saraswathi Receives 2024 Global Recognition Award

[Pradeep Kumar Saraswathi](#), Salesforce's Principal Software Engineer, has been recognized with a 2024 Global Recognition Award for his exceptional contributions to User Interface Engineering within Salesforce's digital experience platforms. His work, characterized by innovation and leadership, has significantly advanced the use of low-code and no-code solutions, empowering users to create complex digital applications effortlessly.

Saraswathi's role as a Principal Software Engineer at Salesforce, coupled with his extensive experience spanning over 18 years, has positioned him at the forefront of technological advancement in building platforms that enhance digital experiences. His pioneering development of a Platform-agnostic WYSIWYG Canvas, for which a patent has been applied, exemplifies his commitment to creating versatile and user-friendly tools.

Industry Recognition and Leadership

Apart from his technical achievements, Saraswathi's influence extends to his role as a judge and mentor within the technology community. His involvement in notable hackathons like LA Hacks and Hack Davis showcases his dedication to nurturing emerging talents in the tech ecosystem. This leadership is further highlighted by his selection as a judge for the prestigious Globee® Awards, where he plays a crucial part in setting standards and shaping practices within the industry.

Numerous awards recognize his contributions, including the 2024 Business Titan Awards Technical Professional of the Year and the International Achievers' Award for Excellence in User Interface Architect. These accolades testify to his thought leadership and profound impact on the tech industry, particularly in digital experience and interface architecture.

Commitment to Community and Standards

As a Senior member of IEEE and a professional member of organizations like W3C and OWASP, Saraswathi

Indian Achievers Award 2024 For Excellence in User Interface Architect
and Thought Leadership in Building Advanced Digital Platform

14th May, 2024

Mr. Pradeep Kumar Saraswathi
PMTS Software Engineering

Dear Mr. Saraswathi,

Congratulations on winning the "Indian Achievers' Award, 2024"

You thoroughly deserved this honour for your achievement and contribution towards nation-building. Please find herewith the digital Certificate of Appreciation.

The bestowment of this recognition is based purely on the prima facie vetting of the documents, profile and testimonials submitted by you.

I am sure this will motivate you to excel further in your field and inspire others as well.

Thank you for being a part of Indian Achievers' Forum and its network.

With best wishes for many more achievements.

Harish Chandra
President
Indian Achievers' Forum & Achievers' World

Judge in LA Hacks (University of California, LA)

Pradeep has judged in most popular hackathons like LA Hacks (<https://lahacks.com/>) with 190+ projects and participation of 1000+ members

CERTIFICATE OF JUDGING

This certificate is awarded to

Pradeep Kumar Saraswathi

In recognition of their invaluable contribution, expertise, and dedication in evaluating projects and guiding participants as a judge at LA Hacks 2024.

Your insightful feedback and unwavering commitment have greatly enriched the hacking community and inspired countless individuals to innovate and create.

This certificate is issued as proof of your participation and judging role in LA Hacks 2024. Through your commitment to excellence and your passion for nurturing talent, you have played an instrumental role in shaping the success of LA Hacks and empowering individuals to realize their full potential.

On behalf of the entire organizing committee and the participants of LA Hacks 2024, we extend our heartfelt gratitude for your constant support and dedication. Your exemplary contribution serves as a beacon of inspiration for us all, reminding us of the profound impact that individuals can have when they share their knowledge, expertise, and passion with others.

Reviewer of the Book Interview Speak

Manning Publications Co., 20 Baldwin Road, PO Box 761, Shelter Island, NY 11964

July 5, 2024

To Whom It May Concern.

This is to certify that Pradeep Saraswati participated in the manuscript review of "InterviewSpeak", a book by Barbara Limmer and Laura Browne.

Mr. Saraswati continues to be a member of our reviewer community and we are looking forward to his future contributions. Manning Publications organizes several review rounds of every title and we value greatly our reviewers' commitment and expertise.

Sincerely,
Kishor Rit
Review Editor

judge the 2024 Sustainability Awards!

8/5/2024

To Whom It May Concern,

I am writing to confirm and elaborate on the selection of Pradeep Kumar Saraswathi participation as a judge for the 2024 Sustainability Awards hosted by the Business Intelligence Group. As the Chief Executive Officer and Founder of the Business Intelligence Group, I am pleased to provide additional insights into the qualifications and selection of Pradeep Kumar as a Judge.

Our judging model places a premium on the expertise of industry leaders, regardless of their global location. The selection of individuals for our judging committees is an exacting process, where we meticulously seek out professionals who bring profound experience and insights to the table. In this regard, Pradeep Kumar was invited to join the 2024 Sustainability Awards judging panel.

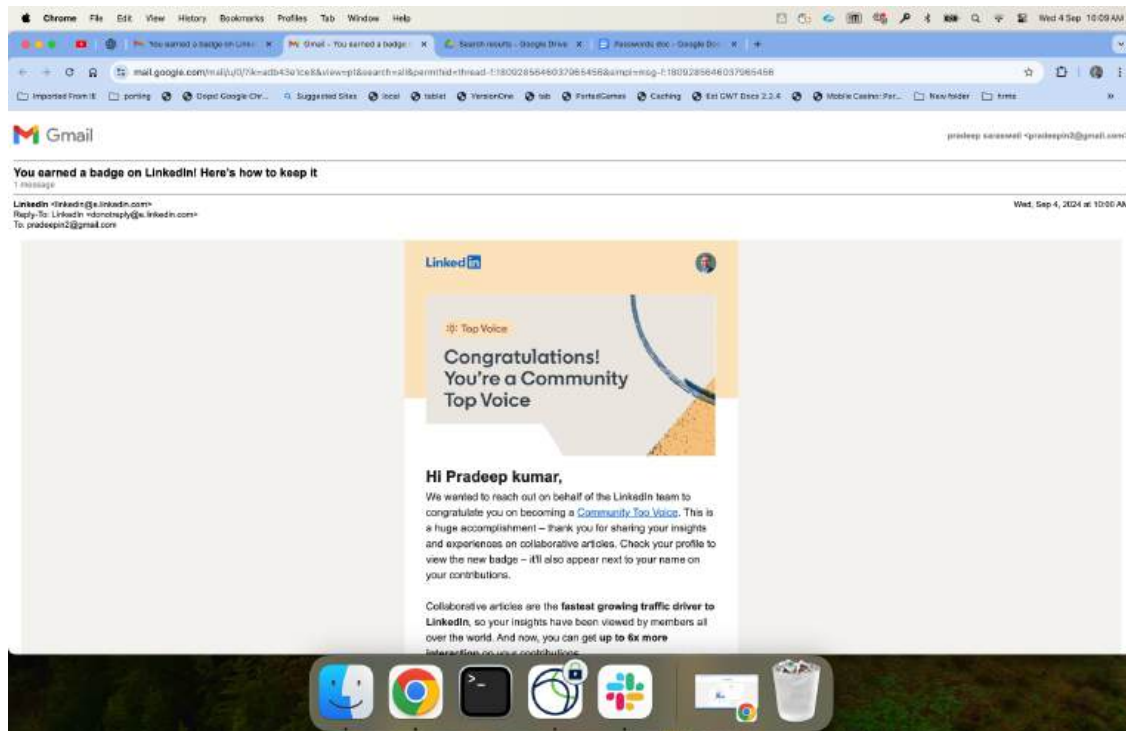

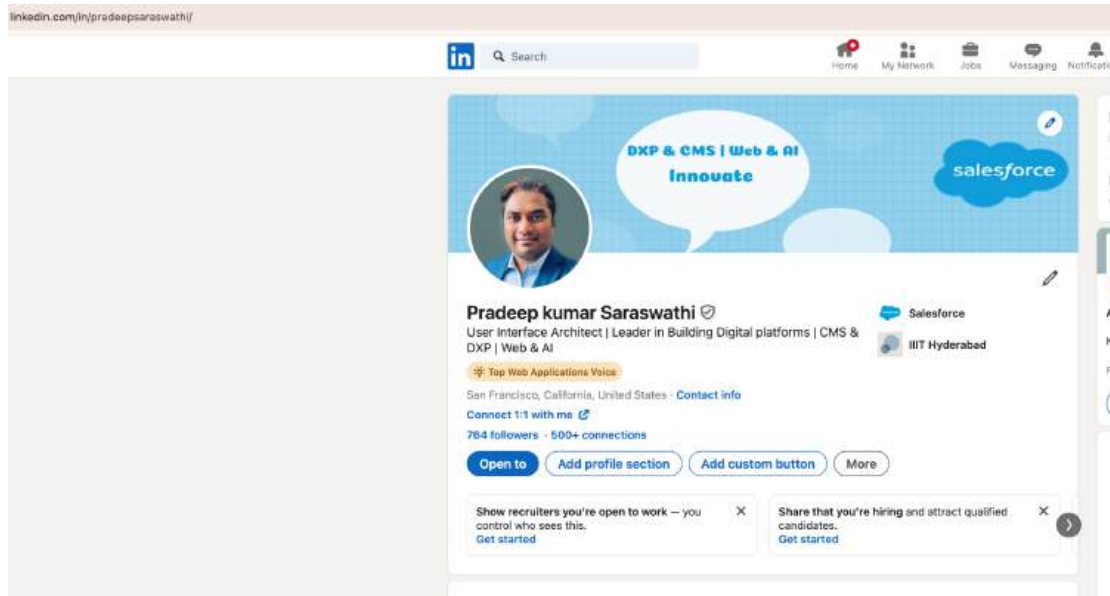

The decision to include Pradeep Kumar was the result of an evaluation of the background and qualifications of the judge. Our judges are individuals who showcase extraordinary competence, and Pradeep Kumar's extensive journey made an invaluable asset to our judging panel. The wealth of experience and significant contributions to the industry aligned seamlessly with the high standards set by the Business Intelligence Group.

We acknowledge and appreciate the unwavering commitment to the field and extend our best wishes for continued success in future endeavors.

Sincerely,

Russ Fordyce
Chief Executive Officer
Business Intelligence Group
