

# Uniquely American Rum

## AWARD WINNING

Small batch, barrel aged rum, smooth and not sweet, low on funky esters, and full of flavors that are naturally produced not added. Since 2008, Montanya Rums have earned 29 gold, silver and double-gold medals, including “Best Rum in the World” at the World Rum Awards and “USA Rum of the Year” at the Berlin International Spirits Competition.

We think the secret to that success lies in the quality, American ingredients in every bottle and our commitment to time-honored, high-mountain traditions. Distilled at 8,888 ft. above sea level in copper pot stills and aged in American white oak barrels, our high-mountain rums use the finest American-grown, non-GMO sugar cane and the purest Colorado mountain spring water.

## A FORCE FOR GOOD

As a certified B Corp, we are part of a global movement to balance purpose with profit. We're committed to environmental sustainability, transparency and integrity in every aspect of our craft distilling business.

That includes diversity in the workforce, equal opportunity for women, and higher than average wages and benefits for our staff, including ski passes and full health benefits for full time employees. It's always our goal to help our team and our community thrive.
