

FORZA FEATURED IN MAXIM

The article shares a very positive and in-depth review of Forza, including details of the brand story, product lineup, and several great quotes by our client.

With *Maxim's* impressive network of over **1.2 million online readers per month**, the article has already gained traction with sign-ups on the Forza website. The publication also posted the feature on their Instagram story (screenshot below) to their **998,000 followers** and tagged Forza's account.

See the full article [here](#) and additional outlets details below.

THIS SUPERCAR-STYLE ITALIAN RANGE IS LIKE A FERRARI FOR YOUR KITCHEN

Forza's colorful, professional-grade powerhouses are painted using the same tech as Pagani hypercars.
