24 DISTINCTIVE WATERFORD SINGLE MALTS, EACH ONE FROM A SINGLE FARM ORIGIN, COME TOGETHER FOR A PROFOUND, COMPLEX & COMPELLING EXPERIENCE

Ireland's verdant landscape is home to the world's finest barley. Here we explore the frontiers of flavour – nature's own expression – as SINGLE FARM ORIGINS. Each, from the ground up – is a SINGULAR spirit. Each is the produce of a UNIQUE *terroir*. The Cuvée Concept, our unique modus operandi, is how we create, naturally, the most expressive, profound & compelling single malt, by bringing together Single Farm Origins. In Cuvée 'Koffi' we have assembled two dozen to provide our fullest & most generous expression, which sets this pioneering whisky apart. It provides a wide SPECTRUM OF FLAVOUR, richly textured & beguilingly persistent. An enigmatic gestalt, this is our ultimate expression.

This bottling features a bespoke label, commissioned from artist Nathanael Koffi.
