

BRING YOUR PSYCHIATRIC SKILLS TO VA

Help America's heroes *heal* at the
U.S. Department of Veterans Affairs (VA)

We need psychiatrists like you at facilities across the country. Dedicated mental health professionals with the **energy, compassion,** and **commitment** to serve those who have served our country.

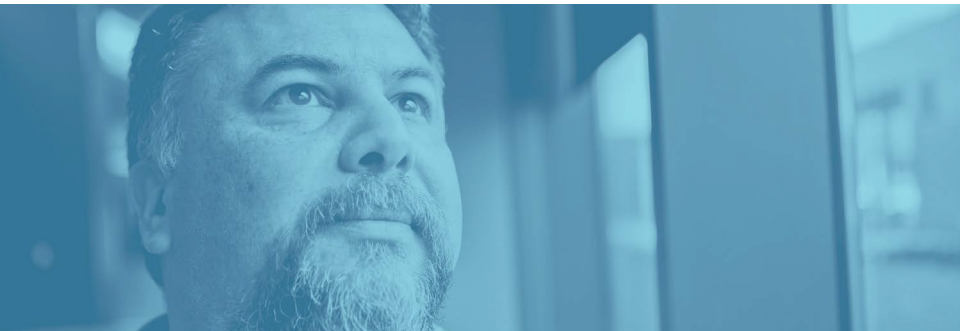

At VA, you'll focus on recovery, providing care that empowers Veterans and their families to take charge of their well-being.

BENEFITS TAILORED TO YOU

As a VA psychiatrist, you'll find a balanced, flexible work environment and benefits focused on your unique needs.

- **Unrestricted licensing and relocation.** With an active U.S. license, you can work at any of our facilities. You won't typically lose any benefits, accumulated paid leave, or pay when you transfer facilities.
- **Competitive salaries.** We offer our employees strong starting salaries based on education, training, and experience. We also offer steady growth, with periodic pay raises that address inflation and local market changes.
- **Flexible schedules.** Our employees receive 13 to 26 paid vacation/personal days, as well as 13 sick days annually with no limit on accumulation and 11 paid federal holidays each year.
- **Robust insurance options.** You can choose from a variety of health plans that all cover preexisting conditions. Additionally, we pay up to 75% of health premiums, a benefit that can continue into retirement.

A MISSION OF HEALING

With a career at VA, you have a chance to make a meaningful contribution to the lives of truly deserving people — **Veterans**.

We understand the unique challenges Veterans face when returning home and transitioning back to civilian life. Our patients rely on professionals like you to expertly tailor treatment plans, ease their symptoms, and help them become whole again.
