

# GIVE YOUR DEVICES A *Checkup*

Give your devices a privacy checkup regularly to be sure your data is secure, and you are sharing only what you want to.

- + Use a lock screen on your smart phone
- + Revoke app permissions to use the camera, microphone, etc.
- + Turn your Bluetooth and WiFi off when not in use
- + Ensure your software is up-to-date
- + Regularly change your passwords and increase password length to the maximum allowed
- + Enable 2-Factor Authentication to provide an added layer of security
