## WELCOME TO 2020

With so many innovative and exciting  
product offerings in the mix -  
we can't wait to dish the details!

From our cordless appliances and cookware...  
to tools, gadgets and cutlery...  
the opportunities with Cuisinart  
in the kitchen are endless!

So, roll up your sleeves,  
as we get you in the know!

*Cheers!*

BRING PREP & COOKING  
ALL TO ONE BOWL!

## COMPLETECHEF™ COOKING FOOD PROCESSOR

Cuisinart's CompleteChef™ infuses the company's inaugural product – the food processor – with a multi-functional cooker in a contemporary design. Equipped with an 18-cup work bowl and over 200 built-in recipes with step-by-step instructions, this new cooking food processor allows consumers to prep and cook food in one bowl. The unit's food processor programs include chop, slice, shred and dice functions, while the automatic cook programs feature steam, sauce, soup, slow cook, sauté, risotto, purée, and dough. Consumers can easily navigate these functions using the large TFT screen display, adjustable temperature control, 12 speeds, and cook-time settings up to 4 hours.

GET ON YOUR  
GRIND, BREW...

## TOUCHSCREEN BURR COFFEE GRINDER

The new Cuisinart Burr Coffee Grinder's intuitive touchscreen controls let coffee lovers tap icons to choose from 18 grind consistencies – from ultra-fine for espresso to extra coarse for French press – and select the number of cups users want to brew, from 1 to 14. This premium grinder includes a manual grind control and a removable chamber large enough to hold up to 32 cups worth of ground coffee.

**DBM-T10 - RETAIL PRICE: \$69.95 | AVAILABILITY: IMMEDIATELY**

## TOUCHSCREEN 14-CUP PROGRAMMABLE COFFEEMAKER

Cuisinart launches its new touchscreen coffeemaker as part of its T Series line. Intuitive touchscreen controls let consumers tap icons to choose start time, shutoff time, number of cups from 1 to 4 cup settings, and set the brew strength. This deluxe coffeemaker is user efficient with 24-hour programmability, self-cleans, auto-off after 0-4 hours and an optional Ready alert tone. This appliance is equipped with a 14-cup glass carafe and a gold-toned reusable filter and charcoal water filters. With PerfectTemp® Technology, this premium coffeemaker brews hotter while still preserving that rich coffee flavor.

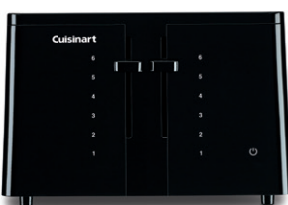

**DCC-T20 - RETAIL PRICE: \$129.95 | AVAILABILITY: IMMEDIATELY**

AND TOAST -
