[PenFed.org/Certificates](https://penfed.org/certificates)

Federally Insured by NCUA. To receive any advertised product, you must become a member of PenFed Credit Union. 1. APY = Annual Percentage Yield. Rates are accurate as of April 7, 2022. Rates are subject to change and are fixed for the term of the certificate. Certificates dividends compound daily and credited monthly. The minimum balance to open a certificate is \$1,000. Penalty will be imposed for early withdrawal. This will reduce earnings on the account. For all certificates funded by ACH, funds cannot but withdrawn within the first 60 days of the account opening. 2. The rate for the 3 year certificate is more than 9x the national average of 0.22% APY and was sourced directly from www.fdic.gov/regulations/resources/rates/ as of March 22, 2022. © 2022 Pentagon Federal Credit Union.
