THIRTY THINGS Pue're ful Thankful For

LHWH celebrated its thirtieth birthday on July 1, 2017.

To commemorate that occasion, we've developed a list entitled:

"Thirty Things We're Thankful For."

We shared this entire list one selection at a time throughout the month of July on our social media channels. Now we've gathered all of them together in this booklet to capture some of the spirit and history of our first thirty years.

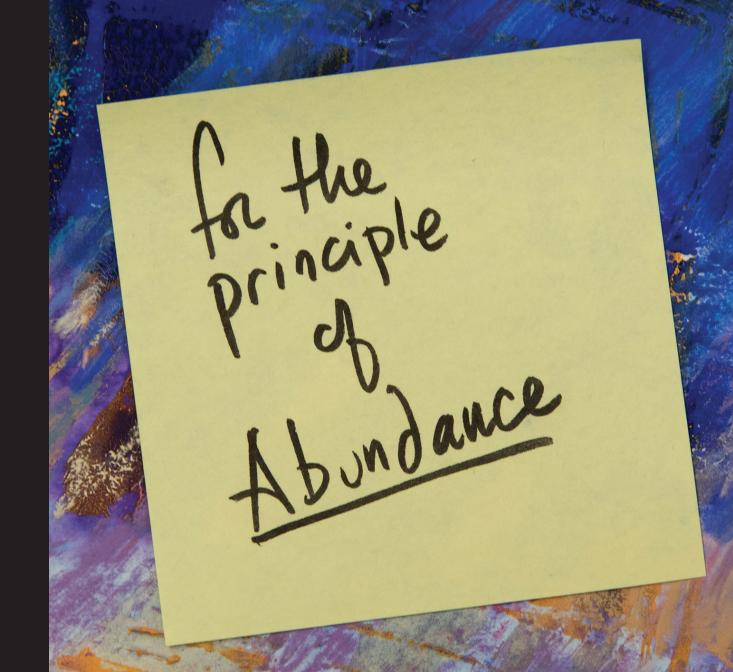

We hope some of these sentiments resonate with you.
